Student Life

Student Life is about making new friends, participating in campus activities, and preparing for classes. Whether you are supporting the CU Tigers at numerous sporting events, getting involved in extracurricular activities, or spending time with your friends, college life is always demanding. These times are the ones that students remember for years to come.

Welcome Week

Top: Sophomore Chris Lewis takes aim while shooting a sling-shot during Dorm Wars.

Center: Amanda Hughes, Holly Nunn, Melissa Sermon, and Karla Kingery show their enthusiasm to be back at school.

Bottom: Annette Littell and Lindsay McGee enjoy the outdoors.

Left: Students dance and enjoy time together.

Welcome Week 2003 started the semester off with new friendships and fun-filled events. It is a time to visit old friends and catch up on each other's lives. Some of the activities offered to the students were the Welcome Back Dance, Dorm Wars, and the hypnotist. Whether it was jumping into a pool of Kool-Aid of dancing on stage under hypnosis, a good time was had by all who attended. Freshman Emily Emerson commented on her first week of college life at CU, "The hypnotist was hilarious and the Dorm Wars were a fun way to get to know your roommates and work together as a team."

Left: Kyle Franklin takes a break from the activities to smile for the camera.

Right: Tzu-Ting "Tina" Chao waves while dancing at the Welcome Back Dance.

Freshmen Week

Freshmen Week is a time when new students can become better acquainted with the campus, members of the staff, and other freshmen. The CU Rodeo, Tiger Auction, Freshmen Cookout, and the Acoustic Cafe are four great events for freshmen. Students could participate in the Giant Hat Race and ride the Mechanical Bull at the CU Rodeo; they could also be auctioned off or win prizes at the Tiger Auction. Freshmen had opportunities to partake in food and games at the Freshmen Cookout. The week's activities ended with Steven Jackson's performance at the Acoustic Cafe.

Family Weekend

Family Weekend is a great time for families to visit CU. It gives families an opportunity to be a part of campus life and students' experiences. Fun activities that families are invited to take part in include a Friday night barbeque and a movie on Stapp Lawn and a tailgate party prior to the football game on Saturday.

Homecoming

Homecoming Weekend was a memorable experience for everyone involved. Homecoming began with Friday evening activities that included the Homecoming Barbeque on Montgomery Library lawn and a pep rally. Saturday morning kicked off with the Homecoming Parade, the Alumni Tiger Baseball game, and a performance by the Alumni University Chorale previous to the fighting Tiger victory over Belhaven College. Homecoming Weekend ended Saturday night with the traditional Homecoming Dance where fun was had by all.

Student Activities

There is more to the Office of Student Activities than just putting a lot of events on the calendar. There is a concerted effort to create an atmosphere that will maximize the college experience of every student. The Activities Board represents the diversity of the student body. Everyone is kept in mind when constructing the campus calendar. This was a great year, but we are looking forward to doing even more next year to help make sure that the experience at Campbellsville University is memorable.

Acoustic Cafe

The Acoustic Cafe continues to gain recognition as a new Campbellsville University tradition. Each month the Office of Student Activities brings in talented singers, instrumentalists, and poets to perform for the student body. The Cafe transforms the gameroom of the Student Activities Center into a quaint coffeehouse complete with dim lighting, a small stage, and live entertainment. There have also been many past and present Campbellsville University students that have performed in the series.

The annual CU Job Fair, cosponsored by Career Services and Counseling and Phi Beta Lambda, was held on campus March 9, 2004, with 22 employers participating. This event is an opportunity for all students to speak with employers about internships, as well as temporary, part and/or full-time jobs. The employers with the most participants visiting their table were Bell South, Lincoln Trail Behavior Health, Toyota, FBI, University Directories, and Amazon.com. Students attending received freebies from the employers and had an opportunity to win door prizes.

Spring Formal

Spring Formal was one of the biggest and most anticipated events for students this year! This annual event, sponsored by the Student Government Association, was held on April 3, 2004, in Louisville, Kentucky. SGA added a new touch to Spring Formal by having it on the Belle of Louisville. CU students enjoyed the night by taking a break from their classes to get dressed up and dance the night away with their fellow college students on a steamboat docked on the river.

Community Service

Becoming a servant leader is a vital part of obtaining a Christian education at Campbellsville University. The Campbellsville University family is always quick to respond to needs as they arise. Community Service was a requirement for the Freshman Year Experience class this year for the first time. Activities include picking up trash on campus and in the community, visiting nursing homes and other health facilities, and working with Kentucky Heartland Outreach and Habitat for Humanity. Other opportunities that were available throughout the semester consisted of assisting families with a full spectrum of needs including those who had lost their home to fire.

People

There are so many memories that are made throughout life and what makes those memories so special are the people in them. Each person is different and comes from different parts of the world but everyone comes together to make their own memories. Whoever it may be - other students, teachers, coaches or staff members - each of these people make up what Campbellsville University is all about.

Sports

Sports are definitely a way to create discipline, responsibility and friendships. When involved with a team it takes patience, practice and confidence to be successful. There also has to be determination in order to have that success. Whether you are a part of a specific team or just showing support for the teams, you are making memories here at CU.

Along the Trail

There are many new things that have occurred "Along the Trail" this year at Campbellsville University. The faculty, staff, and students of CU all joined in an effort to promote community service throughout the school year. Two new athletic facilities were opened, ground was broken for other construction and renovations on campus. There were various other events that happened on the campus of CU such as a new program called SEE for incoming freshmen and a Civil War festival. These new activities and improvements is what makes Campbellsville University one of the south's leading universities.

Closing

As students finish up that last test, pack their suitcases, and say their goodbyes for the summer, there is freedom that seems to come over everyone. Some think of it as another year down and that much closer to their future goals. As graduation comes around, others are just starting their future. Another year has been completed at Campbellsville University.

Message from the President

As we look back on this past 2003-04 academic year, we can see that is has been a year of growth and improvement. The university had a record enrollment of 1,994 students in fall 2003, followed by a record spring 2004 enrollment of 1,932 students.

Campbellsville University has made great strides in the academic/program areas. We were awarded funding of $300,000 for an associate degree program in nursing as a result of the federal Omnibus Appropriations Bill. The program is anticipated to begin fall 2005. CU also was invited to join the Alpha Chi National Society and Delta Omicron (a women's professional music society).

The O. D. and Bessie Hawkins Athletic Complex opened in the fall of 2003 and houses the football and baseball programs, as well as a state-of-the-art athletic weight training room, classrooms, and offices. The indoor practice facility also opened and will provide practice and meeting space for our expanding intercollegiate and co-curricular athletic programs as well as our extensive summer camps.

An official groundbreaking was held in April for the E. Bruce Heilman Student Center Complex, which will be located directly across from the Technology Training Center. This facility will feature Davenport Student Commons with a bookstore, post office, student lounge, grill, and offices for campus ministries. A second building will include the Winters Dining Hall, which will have a seating capacity of 600, with the ability to petition off the area for smaller functions. When you return in the fall, you will notice many facility updates across campus. The women's residence village addition will be completed, North Hall will be a men's residence hall, J. K. Powell Athletic Center will have a new front entrance, as well as new fronts for Montgomery Library and Stapp Hall.

As you can see, Campbellsville University has grown in both programs and facilities, but more importantly the spirit of Christ is alive and growing around campus. Through the vast work of our mission teams (both at home and abroad), spirit-filled campus revivals and ministry opportunities to the community, our students are truly learning and practicing steward leadership.

We will continue to strive to further Campbellsville University in Christian higher education and service; we must thank our dedicated faculty and staff. Without their hard work and example we would not be where we are today. We pray that our 335 Campbellsville University graduates will be a force of betterment of our communities as they continue to lead others in Christian example. These students are true testaments that as you study and learn at CU you can "find your calling" for life.

Most Cordially,

Michael V. Carter
President
